PRELIMINARY AMENDMENT

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

Prior to examination on the merits, please amend the above-identified application as follows.

IN THE SPECIFICATION

Page 12, lines 1-3, please replace the paragraph with the following paragraph:

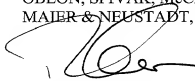

It is thus preferred that the composition of the perovskite compound should be at least stoichiometric; however, it may be shifted to an A site excess side from the stoichiometric composition.

REMARKS

The specification has been amended to correct a typographical error entered during translation. No new matter is believed to have been added. An action on the merits and allowance of claims is solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.

IN THE SPECIFICATION

--It is thus preferred that the composition of the perovskite compound should be at least stoichiometric; however, it may be shifted to an A site excess side from the stoichiometric composition.

[For this reason, the perovskite compound should have a composition shifted from at least stoichiometric composition to an A site excess side.]-
